

The Boyette Creek Buzz

RIVERVIEW, FL 33569 • PUBLISHED BY YOUR HOA BOARD OF DIRECTORS

Volume 1 • Issue 2

September 2026

School is back, the afternoon buses are running again, and the most important HOA meeting of the year is a few weeks away. This issue is about where your dues actually go — and about the two things neighbors talked about most this summer: what's sitting at the curb and how fast people are driving past our bus stops. As always, *The Buzz* is yours — tell us what you'd like to see in it.

SEPTEMBER — EVENTS & REMINDERS

TUESDAY, SEPT 29 — 6:30 PM

Annual HOA Budget Meeting

Riverview Public Library

9951 Balm Riverview Rd., Riverview

The one meeting where homeowners see the actual numbers before next year's budget is set. Come with questions.

You'll also receive a mailed notice. Date and location subject to change with notice.

SCHOOL'S BACK — SLOW DOWN

Watch for Buses & Bus Stops

Neighbors have reported cars running stop signs at **40+ mph** during afternoon school release. Kids are walking, biking and getting off buses on these streets.

Never pass a stopped bus with its arm out.

Reckless driving? Call HCSO non-emergency: (813) 247-8000.

CURB CLEAN-UP

Call It In Before You Set It Out

Bulk items must be **scheduled first** — Solid Waste, **(813) 272-5680**. \$30/item for furniture, \$50 for appliances. Free to self-haul.

Full details on the back page.

YOUR NEIGHBORHOOD. YOUR EVENT.

Plan It. Host It. Own It!

We have a beautiful front park and we want *you* to bring it to life. Block party, movie night, food trucks, holiday event — you pitch it, you run it, we support you.

FEATURED STORY

Where Does Your \$288 a Year Actually Go?

This is the one night a year the books are open to every homeowner. Come see where each dollar goes, ask the questions you've been asking online, and tell the Board what you'd like funded next year. The more neighbors in the room, the better next year's budget reflects what Boyette Creek actually wants.

WHERE THE MONEY GOES

Landscaping — common areas, ponds, entrances

Insurance — association coverage

Management — McNeil & administrative costs

Repairs & maintenance — signs, lighting, common property

Reserves — savings toward big-ticket replacements

There is no separate pot for improvements. Anything new comes out of this budget, out of reserves, or out of a vote.

WHAT ACTUALLY NEEDS A VOTE

Budget & dues up to +5% — Board decides. No vote.

Dues over +5% — 2/3 of votes cast

Special assessment — majority of votes cast

Bylaws — majority of the *Board*. No homeowner vote.

Deed restrictions — 2/3 of votes cast (quorum 10% of homes; proxies count)

Articles of Incorporation — 371 of our 556 homes must vote **YES**. Not 2/3 of whoever shows up: 2/3 of *every home* in Boyette Creek. A home that doesn't vote counts exactly like a no.
